

Praise for Susan Smith Jones, MS, PhD & **A HUG IN A MUG** 🌻 **UPLIFTED**

Susan's Uplifting Table Setting

~ **Steven Crithfield, Master Hair Stylist, Claudio D'Italia, Los Angeles:** "As the perfect set to go with her previous book, *UPLIFTED*, this new groundbreaking volume on living better and longer challenges the conventional medical thinking on aging and reveals new approaches to preventing chronic disease and extending long-term health, written by a leading, visionary healthy living and longevity expert. In *A Hug in a Mug*, you'll discover simple and practical strategies for eating and living holistically, with an emphasis on sustainable practices that promote well-being and balance. From understanding the importance of nutrition, to exploring natural remedies and alternative therapies, to developing a daily invigorating peace-enhancing practice — you will discover the tools to create a holistic, positive lifestyle."

~ **Myran Thomas, L.A. Esthetique Wellness:** "*A Hug in a Mug* is your easy, everyday reference guide for holistic healing remedies. Susan has given us a collection of alternative practices chosen to address common ailments of the body and mind. Its wide variety of wellness treatments will help to restore balance in your body and provide the relief you need. An overview of each common holistic health practice teaches you the basics, helping you choose what to integrate into your personal treatment plan. Throughout the pages of this uplifting book, Susan encourages us to choose a healthy lifestyle and helps us prevent future issues by improving our environment, immunity, sleep, nutrition, attitude, self-esteem, and more. Her delicious, nutritious soup, tea, veggie, and juice recipes are now part of my weekly meal plan. Be prepared to be dazzled and empowered in your healing journey with *A Hug in a Mug*. This comprehensive book will open your mind to more wholesome ways of living. Susan understands that treating your body as a whole — not just your symptoms — is a powerful health strategy. Soothe away everyday stress with this beautifully presented collection of practical advice for achieving optimum well-being the natural way. Her "be kind to yourself curated self-care routine" is life-changing! This book will help you feel your best, renewing your vitality and restoring your bliss. I'm getting extra copies for gifts to go with her equally wonderful book *UPLIFTED* — the perfect holistic health duo set."
